

FCC: To Whom It May Conern,

Subj: K-LOVE 91.3 San Antonio

Date: 16 October, 2004

K-LOVE is an integral part of the San Antonio community. It is the only station that my family and many, many friends listen to.

Please do not allow K-LOVE 91.3 be displaced by an LPFM broadcaster. K-LOVE serves the public with much need Christian programming and uplifting music. I would never want to be without K-LOVE in my home or car or workplace. I LOVE K-LOVE. Please protect it.
